ChristCentral Churches carries the prophetic call that 'we can do more together than apart' and we are now serving many churches & church plants across the world in the Americas, Europe, Africa and Asia.

We are very grateful for the on-going support from churches and individuals into our mission together. Thank you for giving!

This offering gives another opportunity to give into this mission, supporting apostolic ministry and church planting in the UK, Europe, Latin America, Africa and South East Asia. We are also continuing to support Jubilee Plus to see the church in the UK be a champion of the poor.
