Let me invite you to join us on the ChristCentral School of Leadership. The course is based in Sheffield but will be adapted to follow UK government guidelines regarding COVID-19 as the 2020/21 year progresses.

This is a two year course for anyone who is called to some form of leadership in the church or in the wider world. The School of Leadership gives you a solid grounding in biblical theology, a deeper understanding of church history, time to consider leadership issues and an opportunity to grow in your personal calling.

We combine quality teaching, interactive forums and shared learning in a relaxed environment. To comply with social distancing guidelines, there will be an option to access the course remotely using online facilities.

If you are interested in receiving formal recognition for your studies, we are starting a new partnership with Cliff College to

receive certification via their Short Courses programme, run over two years. Once completed, this qualification can contribute towards access onto Cliff College's MA: Missions course. More details about the certificate, including costs, will be available in September.

I would be delighted to welcome you on to the School of Leadership in September 2020. To find out more get in touch with us via the details overleaf.
