GOD'S MULTICOLOURED CHURCH:

The Joy of Race, Cultural Diversity, Unity and Reconciliation

16-17th March 2022

In this unique module we will gather a range of speakers - men and women who have lived through the highs and lows of racial diversity - to address the biblical, cultural, practical and missional issues related to race and cultural diversity.

Over the course of 2 days we will look at:

- The Bible's narrative of race, diversity and reconciliation;
- How our culture has handled these issues past and present and what questions Christians must ask;
- What the Church uniquely has to offer the world;
- Practical applications and life stories that will stir and move you to action;
- Lessons on multi-ethnic leadership development,
- How we engage our youth in matters of race and diversity
